ABOUT SIKHI MAARAG SCHOOL

Sikhi Maarag School (Sikhi Maarag Trust Canada) is a charitable organization (registered charity) in Ontario, Canada, running a full-time academic school and various camps and events to do Sikhi parhaar. Gurmat values shape the ethos and culture of Sikhi Maarag School. We look to our Guru Sahibaan for leadership and inspiration.

Our school's mission is deeply entrenched in Sikhi principles, offering a learning environment that maximizes opportunities for spiritual development as well as academic excellence. By instilling Gurmat values in our learners, we set the stage for lifelong learning and empower students to lead fulfilling lives.

Our vision is to deliver top-tier Sikhi-centered education that is affordable for our community.

We are more than a school; we are a nurturing community where children grow through strong academics, Gurmat values, and character development. Rooted in Gurmat, our approach connects academic excellence with spiritual growth and physical well-being, creating a strong foundation for every child's future.
